

Purple Haze

PURPLE HAZE The perfect mixture of lavender and fennel pollen gives this 3-inch round chevre disk a sweet, addicting flavor that plays off the acidity in the cheese for a delightful complement.

Ingredients: Pasteurized cultured goat milk, salt, enzymes, lavender buds and wild harvested fennel pollen.

Size: 4 oz
Packaging: 6 disks per case
Shelf Life: 12 weeks unopened

Type: Fresh Goat's Milk Cheese

General Handling Procedures: All fresh goat cheese should be kept as cold as possible without freezing (33°–35°F). If you have a bit left, wrap tightly in plastic wrap and place in the coldest part of your refrigerator.

Bring the portion you plan to serve to room temperature to enjoy the depth of flavor.
