1 Purple Haze

Our best selling chevre — The perfect mixture of lavender and fennel pollen gives Purple Haze it's sweet, addictive flavor.

May we suggest an IPA or a Hefeweizen?

Tasting Notes:

A barleywine will do just fine!

2 Humboldt Fog

Our signature offering, Humboldt Fog is an elegant, soft, surface-ripened goat milk cheese. The texture is creamy and luscious with a subtle tangy flavor. Each handcrafted wheel features a ribbon of edible vegetable ash along its center and a coating of ash under its exterior to give it a distinctive, cake-like appearance. An American Original!

Perhaps a pale ale or a pint of stout?

Tasting Notes:

Match with your favorite Belgian ale for dessert.

4 Truffle Tremor

The classic flavor of truffle meets the velvety perfection of ripened goat milk cheese. Earthy, elegant, and sophisticated, it's sure to make even the most distinguished taste buds shake!

3 Midnight Moon

Aged six months or more, this pale ivory cheese is firm, dense and smooth with the slight graininess of a long-aged cheese. The flavor is nutty and brown-buttery with prominent caramel notes.
